

Advice - separate sentences.

Sometimes joining sentences with 'so', 'because' and 'and' is not effective. Here is one sentence. Give advice based on that sentence.

1. The film was great. You should watch it.
2. The book I read wasn't interesting. **You shouldn't read it.**
3. The restaurant I went to had delicious food. **You should go.**
4. London was amazing. **You should go.**
5. I didn't like the food. **You shouldn't eat it.**
6. The museum was boring. **You shouldn't visit / go.**
7. I loved the beach. **You should go.**
8. This food is delicious. **You should try it.**
9. I hated watching that film. **You shouldn't watch it.**
10. That dress looks good. **You should buy it.**
